

You Might Think

The Cars • Heartbeat City

D G A D D G A Bm G A D

D G
Well, you might think I'm crazy

A D
To hang around with you
Or maybe you think I'm lucky
To have something to do

Bm A G
But I think that you're wild
And inside me is some child

D G
You might think I'm foolish
A Bm Bm*
But baby, it's untrue
D G
You might think I'm crazy
A D D D G
All I want is you

Well, you might think it's hysterical
But I know when you're weak
You think you're in the movies
And everything's so deep

But I think that you're wild
When you flash that fragile smile

You might think it's foolish
What you put me through
You might think I'm crazy
A D D
But all I want is you

Bm G* A Bm G* A Bm G* A Bm
And it was hard—so hard to take. There's no escape without a scrape
G* (let it ring) A (ring) G (ring) A (slide up an octave)
But you kept it going, til the sun fell down. You kept it going...

Well, you might think I'm delirious
The way I run you down
But somewhere sometimes when you're curious
I'll be back around

Oh, I think that you're wild
And so-o-o uniquely styled

You might think it's foolish
This chancy rendezvous
You might think I'm crazy
All I want is you
G A Bm
All I want is you
G A D
All I want is you...
